DEWHURST

UniBlade Flush ID

The UniBlade Flush ID Indicator provides a contemporary design for car identification, ideally suited to prestigious office and apartment buildings. The protruding UniBlade Flush ID provides a highly visible illuminated legend to show the lift car identification, it is an ideal product for destination control lift systems.

The design is clean and modern, with a range of colour options for the body such as natural, black and white. The front panel of the UniBlade Flush ID are available in black or white, with a range of illumination options.

The units design looks 'custom' but this is a standard production unit that offers excellent value for money.
